

OLIVIA AVERITT

Annapolis, Maryland • 4109409519 • aolivia@vt.edu • <https://aolivia1.github.io/olivia-averitt-portfolio/>

EDUCATION

VIRGINIA POLYTECHNIC INSTITUTE AND STATE UNIVERSITY. *Blacksburg, Virginia*

Expected Graduation: May 2029 | Dean's List Fall 2025

Bachelor of Science in Electrical Engineering | Minor in Music Production and Technology

Relevant Coursework: Embedded Systems (ECE 2564), Circuits and Devices (ECE 2024), Fundamentals of Digital Systems (ECE 2544), Computational Engineering (ECE 2514)

TECHNICAL SKILLS

Programming: C, C++, Assembly, Verilog, TypeScript

Engineering: Digital Logic, Circuit Analysis, Embedded Systems

Tools: Git/GitHub, VS Code, DE 10-Lite

Music: Piano, Tenor Saxophone, Sheet Music & Chord Reading

TECHNICAL PROJECTS

ANIMATED DIGITAL SIGN | Verilog, DE 10-Lite, ECE 2544 Spring 2026

- Designed and implemented a digital sign system using Verilog on a DE 10-Lite development board
- Developed clock-based logic to animate a seven-segment display with a custom visual pattern
- Designed and debugged combinational and sequential digital logic to achieve the desired display behavior

SIMPLE COMPUTER BUDGET BOOK | Assembly Language, ECE 2544 Spring 2026

- Developed an assembly language program to process and verify a corrupted banking-account transaction data set on a Simple Computer
- Implemented data decryption through bit permutation, transactional procession, balance calculation, and maximum-value tracking, then verified its operation through Verilog simulation and implementation on the DE 10-Lite board

ENGINEERING PORTFOLIO WEBSITE | TypeScript, CSS, Git/GitHub Fall 2026

- Developed and deployed a responsive personal portfolio website using TypeScript and CSS
- Designed the site's layout, visual identity, mobile interface, animations; created original artwork using ProCreate
- Used GitHub for repository management and version control throughout development

LEADERSHIP & EXPERIENCE

VIRGINIA TECH CLASS PROGRAMS, UNITY TEAM | Marketing Manager | Blacksburg, VA 2026-Present

- Collaborate with a 12-member team to develop and promote a unified class identity through branding and social media
- Contribute to development of class colors, motto, logo, and consistent visual branding standards
- Create social media content and support promotion of class events and initiatives

EAT SPROUT ANNAPOLIS | Barista | Annapolis, MD June - August 2026

- Operated POS system while assisting customers with product selection and dietary restrictions in a fast-paced environment
- Prepared espresso beverages and other coffee shop products while maintaining quality and efficiency standards
- Completed daily temperature and expiration logs, restocked refrigerated products, and independently opened and closed the store
